

Shaping Chailey...

Chailey Neighbourhood Plan Village Questionnaire 2015

The Chailey Neighbourhood Plan will form a published document, prepared by the community, which sets out the vision for the parish in its future development. The creation of a Neighbourhood Plan allows the community to have an active say over the development of their parish and will reflect local needs and opinion over elements such as future housing, social and leisure facilities and transport. The policies set out within the Neighbourhood Plan will then be taken into consideration by the Planning Authority when determining the outcome of any planning applications in the parish.

The Neighbourhood Plan is written by members of the community on behalf of the village. In order to do this, we want to hear the views of as many people in the village as possible.

We would be very grateful if you could spend a few minutes completing this questionnaire so that you have a say in the future of Chailey. This is the first stage of the process and there will be further opportunities to comment as we form the draft plan. **We are seeking individual views**, therefore every member of each household is encouraged to complete the questionnaire. Further copies can be obtained from McColl's South Chailey Stores and South Chailey Surgery. Copies are also available electronically from the Chailey Community Website www.chailey.org
